Learn to Use the Single Mean T-Test in SPSS With Data From the Integrated Postsecondary Education Data System (2012)

About This Dataset

Data Source Citation

National Center for Education Statistics, United States Department of Education. (2012). *Integrated Postsecondary Education Data System* [Data file]. Available from <http://nces.ed.gov/ipeds/datacenter/>

Full title of originating dataset

Integrated Postsecondary Education Data System (IPEDS) 2012

Data author(s) and affiliations

National Center for Education Statistics, United States Department of Education

Dataset source website address

<http://nces.ed.gov/ipeds/datacenter/>

Data Universe

Postsecondary institutions that participate in the federal student financial aid programs

Funding sources/suppliers

United States Department of Education

Sample/sampling procedures

For 2011–2012, the IPEDS sample consisted of 7,479 Title IV postsecondary entities. The data was collected through a web-based survey.

Data collection dates

2011–2012

Time frame of analysis

2012

Unit of analysis

Institutions

Location covered by data

United States
