Learn to Use Two-Way Scatter Plots in SPSS With Data From the U.S. Statistical Abstracts (2012)

About This Dataset

Data Source Citation

U.S. Census Bureau. (2012) *Statistical abstract of the United States* (131st edition). Washington, DC;
<http://www.census.gov/compendia/statab/>

Full title of originating dataset

The 2012 Statistical Abstract of the United States

Data author(s) and affiliations

U.S. Census Bureau

Dataset source website address

<http://www.census.gov/compendia/statab/>

First publication date

2012

Data Universe

United States

Funding sources/suppliers

U.S. Census Bureau

Unit of analysis

State

Location covered by data

United States
