About This Dataset

Data Source Citation

Hannah Ritchie and Max Roser. Our World in Data. 2018. *Global primary energy consumption OWID_WRL* [Data file]. Retrieved from https://ourworldindata.org/energy#all-charts-preview

Full title of originating dataset

Global primary energy consumption OWID_WRL

Data author(s) and affiliations

Hannah Ritchie and Max Roser. Our World in Data

Dataset source website address

https://ourworldindata.org/energy#all-charts-preview

First publication date

2015

Time frame of analysis

1965-2018

Unit of analysis

Terawatt-hours

Location covered by data

World countries

Other sources
