Learn About Configuration Models in R With Data From the Florentine Family Dataset (1994)

Learn About Configuration Models in R With Data From the Florentine Family Dataset (1994)

About This Dataset

Data source citation

Padgett, J. (1994). Padgett Florentine families [Data file]. Retrieved from https://sites.google.com/site/ucinetsoftware/datasets/padgettflorentinefamilies

Full title of originating dataset

Padgett Florentine Families

Data author(s) and affiliations

John Padgett, Department of Political Science, University of Chicago

Dataset source website address

https://sites.google.com/site/ucinetsoftware/datasets/padgettflorentinefamilies

First publication date

1994

Data Universe

Renaissance Florentine families

Data collection dates

1994

Time frame of analysis

c. 1430

Unit of analysis

Group

Location covered by data

Florence, Italy

Other sources

Data assembled by John Padgett from historical documents
