# Learn About Simple Regression in Stata With Data From the U.S. Statistical Abstracts (2012)

## About This Dataset

---

### Data source citation

U.S. Census Bureau. (2012) Statistical abstract of the United States (131st edition). Washington, DC;  
<http://www.census.gov/compendia/statab/>

---

### Full title of originating dataset

The 2012 Statistical Abstract of the United State

---

### Data author(s) and affiliations

U.S. Census Bureau

---

### Dataset source website address

<http://www.census.gov/compendia/statab/>

---

### First publication date

2012

---

### Data Universe

United States

---

## Funding sources/suppliers

U.S. Census Bureau

---

## Unit of analysis

State

---

## Location covered by data

United States

---

## List of variables

### **state2**

State Code

### **state**

State Name

### **infantmort**

Infant Mortality 2007

### **uninsuredall**

Percent Persons Uninsured 2009

### **uninsuredchild**

Percent Children Uninsured 2009

**highschool**

Percent Graduated High School 2007

**college**

Percent Graduated College 2007

**smokeall**

Percent Persons Smoked 2009

**smokemale**

Percent Males Smoked 2009

**smokefemale**

Percent Females Smoked 2009

**medianincome**

Median Household Income (Thousands) 2009

**poverty**

Percent Persons in Poverty 2007

**fsperrecip**

Food Stamp Exp. per Recipient 2007
