Thematic Analysis of Guided Reflective Journal Narratives on HIV/AIDS in the Southern United States
Thematic Analysis of Guided Reflective Journal Narratives on HIV/AIDS in the Southern United States

About This Dataset

Full title of originating dataset

Millennials' Reflections on HIV/AIDS in the U.S. South

Data author(s) and affiliations

Nikki R. Wooten, PhD, LISW-CP, College of Social Work, University of South Carolina

Nicole Cavanagh, PhD, LISW-CP, College of Social Work, University of South Carolina

Llewellyn J. Cornelius, PhD, LCSW, School of Social Work, University of Georgia

Funding sources/suppliers

This project was funded by an Interdisciplinary Workgroup grant from the College of Social Work, University of South Carolina. Principal Investigator: Nikki R. Wooten, PhD, LISW-CP.

The HIV/AIDS and Substance Abuse Interdisciplinary Workgroup is a university–community partnership involving faculty and students from the College of Social Work, University of South Carolina, Columbia; School of Social Work, University of Georgia, Athens; Department of Social Work, North Carolina A & T State University, Greensboro; School of Social Work, University of North Carolina, Chapel Hill; Duke Clinical Research Institute, Duke University, Durham; Arnold School of Public Health, University of South Carolina, Columbia; and Jiann-Ping Hsu College of Public Health, Georgia Southern University, Statesboro (Co-chairperson: Llewellyn J. Cornelius, PhD, LCSW; Co-chairperson: Nikki R. Wooten, PhD, LISW-CP). This interdisciplinary workgroup acknowledges collaborative community partnerships with Palmetto AIDS Life
Support Services, Columbia, SC; Columbia Oral Health Clinic, Columbia; C. W. Williams Community Health Center, Charlotte, NC; Atlanta Harm Reduction Coalition Inc., Atlanta, GA; St. Stephen’s Community House, Augusta, GA; and Georgia Equity, Atlanta, GA.

The HIV/AIDS and Substance Abuse Interdisciplinary Workgroup appreciates the attendance of bachelor of social work students at the HIV/AIDS Community Stakeholder Town Hall and the ability to qualitatively analyse their lived experiences and perceptions of acquiring new knowledge on the HIV/AIDS epidemic in the Southern United States.

Sample/sampling procedures

Purposive sampling

Data collection dates

November 2017

Time frame of analysis

March–April 2018

Unit of analysis

De-identified Guided Reflective Journal Narratives

Location covered by data

Columbia, South Carolina, USA
